VETERANS INVITATION TO SELF-IDENTIFY

Regulations issued by the U.S. Department of Labor with respect to Vietnam Era veterans and other protected veterans require that federal contractors provide an opportunity for self-identification to candidates seeking employment. Such self-identification is submitted on a voluntary and confidential basis for use only in accordance with regulations, and without subjecting the individual to adverse treatment.

The 4 classifications of protected veterans are listed below:

Disabled Veteran is one of the following: a veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or a person who was discharged or released from active duty because of a service-connected disability

Recently Separated Veteran means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.

Active Duty Wartime or Campaign Badge Veteran means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.

Armed Forces Service Medal Veteran means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

If you believe you belong to any of the categories of protected veterans, listed above, please indicate by checking the appropriate box below. As a Government contractor subject to VEVRAA, we request this information in order to measure the effectiveness of the outreach and positive recruitment efforts we undertake pursuant to VEVRAA.
